*Race: From Brokenness and Fragmentation to Wholeness - This 16-hour anti-racism/pro-reconciliation training is an interactive experience that explores the myths, the mystery, and the making of race in the United States. Based upon core concepts from national anti-racism training models, this training is specifically designed with biblical and theological foundations for people of faith. Practical tools for pastors and lay leaders are offered through cultural analysis, bible study and reflection. Emphasis is given towards the way churches can integrate anti-racism/pro-reconciliation concepts in missions and ministry.*
